George Stark parties backstage with The Nolans!

Those **Nolans** really know how to throw a party! I joined the sisters after their Hammersmith Apollo gig, with celeb guests including *Loose Women's* **Andrea McLean**, *EastEnders'* **Cheryl Fergison**, **Antony Costa** and many more! The girls sang their way through most of their hits, plus belting out fantastic cover versions of Pink's *So What*, The Bangles' *Eternal Flame*, and Duffy's *Mercy*. With sparkling costumes and scantily-clad male dancers, the evening proved to be the ultimate night out!

'Our new tour plans!'

Our popular columnist **Coleen** came to chat to me after the show and confessed she'd love to tour again next year! Coleen, who performed a cracking solo rendition of **Alesha Dixon's** *The Boy Does Nothing*, told me: 'The response has been phenomenal. Everyone seems to have had the best night out at our shows and it's made us hungry for more!' Coleen revealed that as well as plans for a new show, *The Secret Guide to Women's Health* to be screened on Sky One in January, another singing tour next year isn't out of the question!

Andrea had to fight off her fans!

Andrea's Total Wipeout!

Loose Women's **Andrea** told me how much she was looking forward to her upcoming appearance on BBC1's *Celebrity Total Wipeout*! 'I'm terrified and excited, but I'm going to give it my best shot!' Andrea was mobbed by fans at the Nolans' concert. 'I've been hugged, kissed and pulled apart all night!' The show airs later this winter.

'Darren will make a great father!'

When I caught up with *EastEnders'* **Cheryl Fergison** at the show, she told me what a great father she thinks Darren will be to Heather's baby! 'It will make a man out of him that's for sure! But it will be interesting to see if Shirley lets him anywhere near George, she's very protective!' Cheryl was also crowded out by fans desperate to meet their favourite soap actress.

Don't worry if you missed The Nolans' shows, you can now see the live tour on DVD. It captures all the best moments of the sold-out reunion tour.
